

A woman with long dark hair, wearing a white blazer and a necklace, is looking down at her smartphone. The background is dark with blurred lights, suggesting an urban setting at night. The overall lighting is cool and blue-toned.

Terms & Conditions

1. Unlimited calls

Unlimited calls are subject to our fair usage policy of 3,000 UK minutes. We reserve the right to disable access to this tariff if the policy is breached and charge. Click here for more information on our Fair Usage Policy: <http://www.plan.com/policies/fair-use-policy.php>

Unlimited minutes only include UK to UK calls to standard numbers.

Unlimited minutes exclude premium-rate numbers, which are often used by TV shows, quiz companies, chat providers and some websites. Prices are set by the premium operator.

Unlimited minutes exclude non-geographic numbers, which are often used by call centres and not associated with areas of the country e.g. 0161 for Manchester. They often start with 05, 07 or 08. Prices are set by the NGN operator.

Some telephone numbers are operated by third-parties who connect or forward calls to another number. There are lots of these third-party services and prices are charged by the third-party at a higher rate to connect calls. Calls to these non-mobile and call forwarding services are not included in your inclusive minutes.

2. Unlimited texts

Unlimited text messages (SMS) are subject to our fair usage policy of 3,000 UK text messages. We reserve the right to disable access to this tariff if the policy is breached. Click here for more information on our Fair Usage Policy: <http://www.plan.com/policies/fair-use-policy.php>

Unlimited text messages only include UK to UK text messages. They exclude premium-rate numbers, which are often used by TV shows, quiz companies, chat providers and some websites. Customers may also be charged for receiving text messages from premium-rate numbers. Prices are set by the premium operator.

MMS are not included in our tariff packages.
